- **Taxi from to/the airport**

In order to enhance taxi service from Belgrade Nikola Tesla Airport, the Assembly of City of Belgrade is introducing ongoing project aiming to organize new taxi service regulation system from Belgrade Airport. As a part of this project, the price of a taxi service from the airport is divided into five zones.

For the use of taxi services from Belgrade Nikola Tesla Airport to any destination in Belgrade area and further, please contact the city service TAXI INFO, which is located in the baggage claim area.

Please take a taxi receipt at the information desk which contains the name of your destination and appropriate price for the taxi service.

3. Money exchange, shops, restaurants

The official currency in Serbia is dinar, abbreviated RSD. Money can be exchanged in all authorized exchange offices, which are plenty around the city, as well as in banks and posts. Dinar is issued in denominations of 10/20/50/100/200/500/1000/5000.

The current exchange rate may be checked on the website of the [National Bank of Serbia](#)

Cash may be taken from ATMs installed in all major malls, bank branch offices and in public places.

Shops are open whole day (usually from 09:00 or 10:00 to 20:00 or 21:00, sometimes even later), Saturdays, often Sundays (particularly in large shopping malls, such is Usce <http://www.usceshoppingcenter.com/>). More information on shopping opportunities in general at: <http://www.belgradenet.com/shopping.html>

Restaurants – a vast choice, national and international, with live music or without. Don't bother with dresscode and in most cases don't expect a non-smoking zone. Good selection per categories available at: <http://www.tob.rs/en/eat.php?kat=2>
